

# Egg Zone 5: St James's Park

## Map information

Welcome to St James's Park.

There are **9 eggs** in this zone. How many can you find?

Getting scrambled? Here are some clues.

● All the king's horses and all the king's men, couldn't put Humpty together again – but you'll have to look round the back of a prince's house if you want to find this royal egg!

● Where do ducks live? In a cottage of course! Though there's a bigger egg than usual on their island during The Big Egg Hunt!

Having trouble finding all the eggs? Have a cheeky look at our Google map:
